SUPPLEMENTAL INFORMATION AND/OR SKETCH OF JOB CONDITION

BASIS FOR APPROVAL-INFORMATION

For the Superintendent of Building or his designated agent to approve a request for modification or a request for alternate material or method of construction he must determine that special, individual reasons exist that make compliance with the strict letter of the ordinance impractical and that equivalency is provided for requests applicable to the State Housing Law. The resulting condition must be in conformance with the spirit and purpose the ordinance involved. The applicant must provide sufficient information with this application to allow the above evaluation to be made. INFORMATION ON PROCEDURE FOR APPEAL FROM A DETERMINATION OR ACTION BY THE DEPARTMENT OF BUILDING AND SAFETY

Appeal from the determination or action of the Superintendent of Building or his designated agency may be made to the Board of Building and Safety Commissioners. To appeal, the appellant must give special individual reasons that make compliance with the strict letter of the ordinance impractical. Appeals pertaining to State Housing Law provisions require complete evidence to substantiate that the proposed design, material, or method of construction is at least equivalent to that prescribed by the Code. State such reasons or evidence on the front of this form or on a separate attachment.
