**INSTRUCTIONS FOR
APPLICATION FOR RENEWAL AND CLERICAL MODIFICATION OF GENERAL APPROVAL**

Instruction #1 - Block 2: Petitioner-s Address, Phone or Contact Person. Changes in these items require a Clerical Modification Fee* in addition to the Renewal Fee.

Instruction #2 - Block 2: Petitioner-s NAME. If the NAME of the Petitioning Organization differs from what appears on the expiring Research Report, add the Clerical Modification Fee*, PLUS:

- a. The following release letter, notarized, and signed by the President or Corporate Secretary of the former Petitioning Organization on that organization-s letterhead:

"Rights to Los Angeles City Department of Building and Safety Research Report # _____, and to the use of any design or test data filed with the Department to support that report, are hereby released to _____(petitioning organization)_____."

Legally valid evidence of your right to use the Research Report and any design and test data pertaining to it in Department files.

- b. **IF YOU ARE ALSO THE MANUFACTURER**, please submit also a notarized letter on your letterhead attesting that there has been no change in the quality, composition, design or characteristics of the product or construction method as approved in Research Report # _____. If you cannot so attest, submit additional Application for Technical Modification, with appropriate fee.**

Instruction #3 - Block 2a: Manufacturer (if other than the Petitioner). If name of address differs from the expiring Research Report, please comply with *Instruction #2b*, above (notarized letter of non-change in product, or application for Technical Modification).

Instruction #4 - Block 4: Product Name. If name change DOES NOT add new products, or alter design, composition, manufacture or quality of the product or method as approved in the expiring Research Report:

Provide a notarized letter on your organization-s letterhead attesting to the above; and

Add the Clerical Fee.*

Instruction #5 - Block 4: Product Name. If name change DOES reflect addition of new product, or alterations as noted above, submit additional Application for Technical Modification, with appropriate fee.**

Instruction #6 - Block 5: Uses or Additions. Changes in this block require submittal of additional Application for Technical Modification with appropriate Fee.**

Instruction #7 – Updating the LARR to current code. If the Research Report was done under the previous version of the LABC and needs to be updated to the current code, add the Clerical Modification Fee*

* One fee covers all Clerical Modifications on this Application.

** Application for Renewal of item(s) as approved on the expiring Research Report is still required to maintain approval for their continued construction use in Los Angeles. Renewal and Technical Modification are separate actions, each with a separate fee.
