

30-DAY NOTIFICATION OF INTENT TO EXCAVATE

Section 3307.1 of the Los Angeles Building Code requires property owners to provide the adjacent property owner(s) a 30-day written notice of intent to excavate when the depth of the proposed excavation (a) is greater than both:

1. The depth of the wall or foundation (b) of an adjoining building or structure, and
2. The distance between the property line and the proposed excavation (c). (See below)

The Department shall not issue any permit until evidence of the required notification is received. The procedure for providing proper notification shall be as follows:

1. The attached letter shall be used to provide the required notification. If you have questions regarding the completion of the form please contact your plan check engineer.
2. The name(s) and mailing address(es) of the adjacent owner(s) can be obtained at the following locations:
